"Behold, children are a gift of the Lord; the fruit of the womb is a reward." Psalm 127:3

CPC 24th Annual Spring Benefit with Guest Speaker Ryan Dobson

With the conviction that comes from knowing your purpose, and loving every minute of it, Ryan Dobson passionately pursues his calling in Christ. From his books to his podcast to his speaking engagements, Ryan uses every opportunity to call people out of the moral relativism of today's society and into "the ultimate adventure" of following Christ.

Ryan grew up as the second of two children of famous family counselor, author and radio host Dr. James Dobson. While many pushed him to follow in his father's footsteps, Ryan took the time to explore his own gifts while trusting in Jesus as his guide. After graduating from college, Ryan found his natural talent for public speaking, combined with his passion for youth, soon opened countless doors. Ryan traveled extensively for years, challenging attendees at music festivals, concert tours, youth camps, and crisis pregnancy center activities.

Drawing from his experiences in talking first-hand to teenagers and young adults, he wrote his first book, *Be Intolerant* in 2003. This wake-up call warned young Christians not to fall for the lies of a relativistic, post-modern society. Described as having "a colloquial style with all the subtlety of a two-by-four to the side of the head" by Publishers Weekly, it quickly rose up the sales charts -followed by two more best sellers, *2 Die 4* and *2 Live 4* in 2005 and 2006.

Behind the scenes, Ryan has been developing his own base - KOR World Ministries, with the purpose to "build passion and identity in Christ followers". He produces KORKast, a podcast that challenges listeners in how they see, hear and think about life and their interaction with culture. He also continues to speak and leads short-term mission trips and men's retreats. His fourth book, *Wrecked*, was published last year.

Comments from Ryan's past speaking engagements include that he is easy to listen to; people wish he would have talked longer; and he is insightful, witty and challenging to all. Ryan speaks of the influences he has had in his life from his parents to his grandparents to his teachers, and this theme touches the hearts of his listeners.

Ordained in 2007, Ryan has a bachelor's degree in Communication Studies from Biola University. He lives in Colorado with his wife, Laura, and their son, Lincoln.

A power-packed program including music from Lisa Williams, a local professional artist who teaches in Wauseon schools and who travels throughout the nation sharing her musical talents, and testimonies from a number of those who have been influenced by the Community Pregnancy Centers' ministry, will prepare the way for Ryan's challenging message to become involved in God's plan for today. This combination will add up to a great evening of blessing, fellowship and encouragement for area believers and their families. We are honored to host Ryan Dobson who promises to be relevant to youth and adults of all ages. Won't you come and join us for some of the best Christian programming available to Northwest Ohio's families? Please order your tickets today!

Beginning this year, we going to be featuring a new segment in our LifeSaver newsletter called "Meet Our Staff". This column will give you an "up close and personal" connection with a member of our CPC or Project Respect Staff. We hope you enjoy this column.

One of CPCs' newest Staff members is RITA OVERMIER who was hired in July 2008 as the Bookkeeper. She oversees all accounting aspects for the Center and Project Respect. She has over 25 years experience in the accounting field. She spent 15 years working for a residential builder and developer in Florida before making the move with her family to Bryan in June of 2003. She also spent eight years as a civil service employee with the United States Air Force.

Rita and her husband, Clare, who is a Special Education Supervisor with NWOESC, are raising their two grandsons. A junior at Bryan High School, Tyler (16) plays oboe with the symphonic band, is a member of the National Honor Society and a member of the track team. Trevor (14) is a freshman and plays cello with the BHS orchestra, is a member of the cross country team and will be on the track team this spring.

Rita and Clare were born and raised in the Methodist Church. Their faith is, and always will be, the center of their lives. Committed to His word, they believe serving their church and community are priorities. Rita and her family are active members of Wesley United Methodist Church. Rita is the volunteer membership secretary and plays flute in the church orchestra. She serves on the ministry team, and she and Clare are shepherds on Sunday mornings for 3rd through 5th graders. Rita also volunteers with the Compassion Medical Clinic in Bryan.

Rita grew up in Ft. Wayne and Clare in Oregon, Ohio. They both knew that after Clare retired from teaching, they wanted a small town advantage for their boys. So after some research and several visits to our area, they decided to make Bryan their home. It was a wonderful choice, and they have no regrets. And to make matters even more perfect, the CPC has gained a loyal and dedicated employee!
